QUADRENNIAL APPRAISAL

LIST OF REAL ESTATE BY STREETS WITH OWNER'S NAME

ADAMS STREET—50 Feet Wide

The list of real estate by streets is followed by an index of owners with the pages on which their property may be found, an index of street names, and a list of personal property taxpayers in the years 1933 and 1934.

Machinery in manufacturing plants is appraised as a part of the real estate.

The 1934 appraisal includes all additions made for improvements from April 1st, 1931 to April 1st, 1934, and deductions for buildings removed and land sold.

The following abbreviations have been used: h. for house; l. for lot; f. for farm or factory; f.s. for filling station; bl. for block; g. for garage; s. for shop, shed or store; m. for mill or manufacturing plant; w. for warehouse; (u) for unfinished; N. for North; E. for East; S. for South; W. for West.

The dimensions of lots are given in even figures because of lack of space and when the dimensions of lots are not equal, the frontage only is given. Whenever the dimensions of lots could not be determined, the acreage has been taken from the preceding appraisal.

The City Clerk should be notified of errors in appraisal, location, measurements or acreage—if any are found.
